NOTIFICATION.

Ootacamund, July 30, 1914.

No. 112.—*Add* the following as supplement to Rule 22, Chapter III, of the Grant-in-Aid Code :—

Rule 22 *A.*—(i) A system of payment of teaching grants from Provincial funds to elementary schools by monthly instalments shall however be introduced as an experimental measure in the four districts of Guntur, Bellary, Chingleput and Madura with effect from the beginning of the official year 1914–1915.

(ii) Monthly payments shall be made only to schools recognised and aided for the three years immediately preceding the official year to which the grant relates.

(iii) Only those schools shall be put on the list for monthly payments which have had no reduction of grant during these three years, other than for insufficiency of funds, closure on account of epidemics, or other similar causes.

(iv) The grant on behalf of teachers only shall be paid monthly and the total amount of this grant shall be calculated on the number of teachers on the 31st March preceding the official year to which the grant relates. Grant for average attendance of pupils shall be paid once a year and shall be included in the final payment which shall become due on the 1st March after making any adjustments that closure of the school or irregular or inefficient working or changes in staff may render necessary.

(v) Early in April of each year the Inspector of the Circle shall draw up for each district separately a consolidated list of warrants in the prescribed form (Appendix BB) for elementary schools recommended to be included under the system and shall submit the same to the Director not later than 15th April. The Director shall determine what schools shall be admitted to aid under the system after taking into account whether the schools recommended fulfil the required conditions. The list shall then be published in the prescribed form (Appendix BB) for each district and shall be issued to the Accountant-General and Treasury and Sub-Treasury Officers not later than 1st May.

(vi) The first payment shall be due on 1st May for April preceding and the 11th and 12th payments shall be due on 1st March for February and March. The Inspector shall, at the commencement of May of each year, issue a single warrant (Appendix DD) to which 12 coupons shall be attached, to the Correspondent of each school to which a monthly grant has been sanctioned. The Correspondent shall keep the warrant in his own personal custody and shall present it either in person or through a person known to the treasury officials at the treasury or sub-treasury whenever payment of the grant falls due. The Treasury Officer shall, at the time of payment, detach the coupon for the month concerned, note the fact of payment on the reverse of the warrant under his initials and return the warrant to the Correspondent. The Inspector shall simultaneously with the issue of warrants to each school send a consolidated list of all the warrants issued by him in the prescribed form (Appendix BB) to the Accountant-General, Treasury Officers and Sub-Treasury Officers. He shall also communicate in the prescribed form (Appendix X) to the Correspondents, the Accountant-General and the Treasury or Sub-Treasury Officer concerned, any retrenchments ordered by him in the course of the year against the warrants already issued by him. The last named officer shall carry out the retrenchment orders before making payment and note them on the reverse of the warrants when these are presented to him for payment.

(vii) The system of receiving payment of the grant monthly is optional. The Correspondent is not bound to present the warrant for any month for payment in the course of that month, but may present it in any subsequent month of the official year, provided the date of presentation is not later than March 15th.

(viii) The Inspector of the Circle concerned shall have absolute power to suspend the system in any particular case, where he considers that the payment is not being earned.

(ix) Final adjustments shall be made on the recommendations of the inspecting officers assembled in conference under Rule 16 of the Grant-in-Aid Code, when the final payments become due on the 1st March of each year. The final payment thus made shall be the total

grant on behalf of teachers and attendance of pupils. Any increase or reduction recommended by the inspecting officers as sanctioned by the Director and retrenchment orders issued by the Inspector shall be taken into account in fixing the total grant and the sum for which warrants have been issued shall be deducted from the total grant. The bill for the final payment of the grant shall be issued by the Assistant Inspector on the prescribed form (Appendix D) in the beginning of March after the assignment lists have been sanctioned by the Director.

The Correspondent concerned shall sign the bill and present it either in person or through a person known to the treasury officials for payment without delay and in any case before March 15th.

3. All sales are subject to confirmation by the District Forest Officer who reserves to himself the right to reject any bid including the highest bid without assigning any reason for so doing.

4. The bid shall be for the whole of a coupes at so many rupees per acre.

5. The sale list shall be signed by the highest bidder of each coupe immediately after the sale is knocked down to his name and a certificate should also be appended thereto by him to the effect that he has read and understood the terms of the sale notice and that he agrees to abide by them.

6. The highest bidder of every coupe must deposit with the officer conducting the sale immediately after the close of the sale 25 per cent. of the sale amount less the earnest money deposited by him under paragraph 2 *supra*; after the sale is sanctioned, the above amount including the earnest money deposit will be credited towards the 1st instalment of kist, *i.e.*, one-fourth of the sale amount of the coupe due by the contractor (highest bidder).

7. The highest bidder should deposit as security in the Postal Savings Bank within seven days from the date of receipt of order accepting the offer 25 per cent. of the sale amount subject to a maximum of Rs. 500 as guarantee for the due fulfilment of his contract. A stamped agreement shall also be executed by every successful bidder within 14 days from date of receipt by him of the order sanctioning the sale in the prescribed form which will be read out at the time of sale, and copies of which can also be previously inspected at the District Forest and the Range offices. Unless and until the security deposit is furnished and the agreement executed as above, no contractor will be allowed to commence fellings in the coupes relating to his contract. No security deposit need be furnished in respect of petty leases below Rs. 20 each, but the agreement should however be executed in respect of every lease whatever the amount may be. The agreement will be registered by him at his cost.

8. In case the successful bidder of any coupe fails to furnish the deposit referred to in paragraph 6 or to furnish security deposit, and to execute the agreement referred to in paragraph 7 above, the coupe will be resold at the risk and loss of such bidder who will not only forfeit any deposits already furnished by him but will also be liable for the loss, if any, accruing by such resale. He will not, however, be entitled to the profit, if any, that may result from the resale. Any removal of produce by the contractor or his heir before the execution of the agreement will be treated as an offence punishable under Forest Act.

9. All lease amounts must be paid by the contractors in three equal instalments on or before the dates given below into the Huzur Treasury, Vellore, or into any Sub-Treasury in the district and the receipted chalan must be sent so as to reach the Range officer concerned before the dates fixed for the payment of the instalments. In the case of coupes the sale amounts of which do not exceed Rs. 150 in each case, the sale amounts will be paid in full before the agreement is executed under paragraph 7, including of course the deposit furnished under paragraph 6, but exclusive of the security deposit furnished under paragraph 7 *supra*.

First instalment or one-third of the sale amounts—on or before the date of execution of the agreement.

Second instalment or one-third of the sale amounts—on or before the 15th December 1914 or before the second division (compartment) of the coupe is entered upon for working, whichever is earlier.

Third instalment or one-third of the sale amounts—on or before the 15th March 1915 or before the third division (compartment) of the coupe is entered upon for working, whichever is earlier.

N.B.—Interest at 6 per cent. will be collected on all overdue instalments.

10. If instalments are not paid on the due dates, work will be suspended until such time as the amount is paid with interest, and if the amounts are not paid within one month of their falling due, the District Forest Officer will cancel the contract, forfeit the security deposit and put for results at the risk of the contractor. The contractor will not be entitled to any revenue that may be collected departmentally during the suspension of the contract nor will he be entitled to any extension of time to make up for such suspension. In case of fresh sale, the contractor will have no claim to any excess over the original sale amount, but he will be responsible for any deficiency.

11. Intending bidders may obtain at any time further particulars regarding the sales either at the District Forest office, Vellore, or at any of the Range offices in the district.

12 The contract must provide for a sufficient supply of fuel to meet local requirements.
